

GET READY FOR RIBFEST

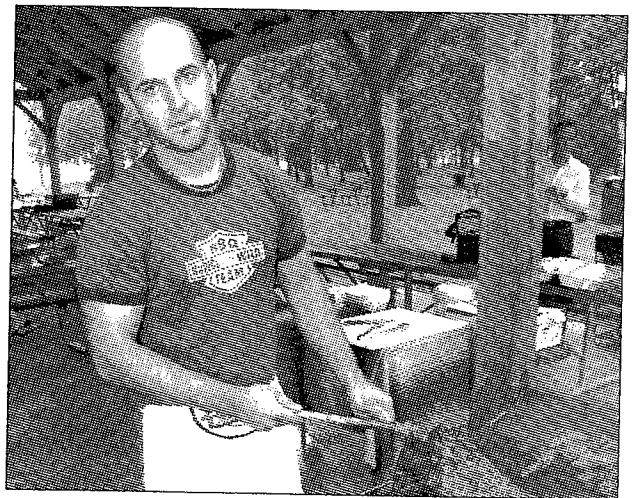

Oshawa Rotary President Joan Skelton, Councillor John Henry & David Black, Rotary Ribfest Chair cook up some samples

You know that September is upon us when the Rotary Club of Oshawa presents their annual Ribfest. Now in its 7th year, Ribfest promises to be bigger and better as 10 professional 'ribbers' from across Canada and the U.S. ply their trade on the grounds of Lakeview Park. "Over the past five years, attendance at the Ribfest has outstripped our expectations...growing to about 30,000 during last year's event" said David Black, Rotarian and Chair of the Ribfest Committee. This year's entertainment line-up has been expanded and refreshed. New tribute and other bands have been added to the program and many popular acts are returning to Ribfest. Organized and run by Rotary Club of Oshawa volunteers, Ribfest raises money to help support children and youth in our community. The fun takes place on the weekend of September 7th, 8th & 9th at Lakeview Park. For more information call 905-579-1323 or visit the Ribfest website at www.oshawaribfest.com.
